Announcement re: "Sao Paulo Call to Action"

Dear World Hypertension League Members:

The ‘Sao Paulo Call to Action for the Prevention and Control of High Blood Pressure: 2019’ was released last week at the Brazilian Society of Hypertension meeting in Sao Paulo. The World Hypertension League and partner organizations developed the Call to Action to help align health and scientific organizations and hypertension experts with global best practices for hypertension control. An abbreviated version can be found at this link. The link to the news item on the WHL website is: http://www.whleague.org/index.php/2014-07-09-22-47-11/sao-paulo-call-to-action-for-the-prevention-control-of-high-bp

We hope you can widely disseminate the Call to Action to your colleagues. The full fact sheet and call to action will be published in the Journal of Clinical Hypertension (JCH) in late 2019.

Dedicated to the Prevention and Control of Hypertension Globally

World Hypertension League

In official relations with the International Society of Hypertension and World Health Organization
